#### **General Business Description**

Anthem, through its subsidiaries, is a health benefits company in the United States serving 38.5 million medical members through its affiliated health plans as of June 30, 2015. Anthem is an independent licensee of the Blue Cross and Blue Shield Association, or BCBSA, an association of independent health benefit plans, and serves its members as the Blue Cross and/or Blue Shield licensee for all or portions of fourteen states: California, Colorado, Connecticut, Georgia, Indiana, Kentucky, Maine, Missouri, Nevada, New Hampshire, New York, Ohio, Virginia and Wisconsin. In a majority of these service areas, Anthem's affiliated health plans do business as Anthem Blue Cross, Anthem Blue Cross and Blue Shield, Blue Cross and Blue Shield of Georgia, Empire Blue Cross Blue Shield or Empire Blue Cross (in the New York service areas). Anthem operates through its AMERIGROUP Corporation subsidiary in Florida, Georgia, Kansas, Louisiana, Maryland, Nevada, New Jersey, New Mexico, New York, Tennessee, Texas and Washington, and through its recently acquired Simply Healthcare Holdings, Inc. subsidiary in Florida. Anthem also serves customers throughout the country through its UniCare insurers and health plans, and in certain California, Arizona and Nevada markets through its CareMore Health Group, Inc. subsidiary. Anthem is licensed to conduct insurance operations in all 50 states through its subsidiaries.

Anthem's vision is to become America's valued health partner. Anthem is working to transform health care with trusted and caring solutions and as a result, Anthem focuses on delivering quality products and services that give members access to the care they need. With an unyielding commitment to meeting the needs of its diverse customers, Anthem is guided by the following values: accountability, caring, easy to do business with, innovative and trustworthy.

Through its subsidiaries, Anthem offers various network-based managed care plans to the large and small employer, individual, Medicaid and Medicare markets. Anthem's managed care plans include preferred provider organizations, health maintenance organizations, point-of-service plans, traditional indemnity plans and other hybrid plans, including consumer-driven health plans, and hospital only and limited benefit products. In addition, Anthem provides an array of managed care services to self-funded customers, including claims processing, underwriting, stop loss insurance, actuarial services, provider network access, medical cost management, disease management, wellness programs and other administrative services. Anthem also provides specialty and other insurance products and services including dental, vision, life and disability insurance benefits, radiology benefit management and analytics-driven personal health care. Further, Anthem provides services to the federal government in connection with the Federal Employee Program.

The aging of the population and other demographic characteristics and advances in medical technology continue to contribute to rising health care costs. Anthem's managed care plans and products are designed to encourage providers and members to participate in quality, cost-effective health benefit programs by using the full range of its innovative medical management services, quality initiatives and financial incentives.

Anthem believes it is well positioned to deliver what customers want: innovative, choice-based and affordable products; distinctive service; simplified transactions; and better access to information for quality care.

Anthem believes its expertise creates opportunities for collaborative programs that reward physicians and hospitals for clinical quality and excellence. Anthem feels that its commitment to health improvement and care management provides added value to customers and health care professionals.

Anthem believes that an essential ingredient for practical and sustainable improvements in health care is raising health care quality while managing costs for total cost affordability. Anthem has identified initiatives that it believes will deliver better health care while reducing costs. These include driving innovation in paying and partnering with providers to achieve improved cost, quality and health along with finding new, effective ways to manage risk and engage the member as a consumer.

In addition, Anthem continues to enhance interactions with customers, providers, producers (brokers and agents), employees and other stakeholders through web-enabled technology and improving internal operations. Anthem's approach includes not only sales and distribution of health benefits products on the Internet, but also implementation of advanced capabilities that improve services benefiting customers, producers (brokers and agents), and providers while

optimizing administrative costs. These enhancements can also help improve the quality, coordination and safety of health care through increased communications between patients and their physicians.

**ITEM 4. NATURE, SOURCE AND AMOUNT OF CONSIDERATION**

(a) Nature, Source and Amount of Funds or Other Consideration Used or to Be Used in Effecting the Merger or Other Acquisition of Control

**Source and Amount of Consideration**

As provided in the Merger Agreement, subject to certain customary exceptions, each share of common stock, \$0.25 par value, of Cigna (the "Cigna Common Stock") issued and outstanding immediately prior to the effective time of the First Merger (the "Effective Time") will be converted at the Effective Time into the right to receive (1) \$103.40 in cash, without interest, and (2) 0.5152 shares of common stock, \$0.01 par value, of Anthem (together, the "Merger Consideration").<sup>4</sup> Upon such conversion, all issued and outstanding shares of Cigna Common Stock will be cancelled and will cease to exist.

The value of the transaction is estimated to be approximately \$54.2 billion based on the closing price of Anthem's common stock on the New York Stock Exchange on May 28, 2015. The final value of the transaction will be determined based on Anthem's closing stock price on the date of the closing of the transactions contemplated by the Merger Agreement (the "Closing"). The combined company will reflect a pro forma equity ownership comprised of approximately 67% Anthem stockholders and approximately 33% Cigna stockholders.

Anthem estimates that approximately \$21 billion in equity will be issued to Cigna stockholders, leaving cash requirements of approximately \$27.6 billion for the Merger Consideration. Anthem expects to finance the cash portion of the proposed transaction through available cash on hand and the issuance of new debt.

---

<sup>4</sup> As set forth in the Merger Agreement, the exceptions are: (i) shares held directly by Cigna as treasury stock, (ii) shares owned by Anthem or a subsidiary of Cigna or Anthem (including Merger Sub), (iii) shares held by any person who has properly exercised and perfected appraisal rights pursuant to Section 262 of the Delaware General Corporation Law, and (iv) shares subject to Cigna restricted stock awards.

In addition to the payment of the Merger Consideration, Anthem will be assuming approximately \$5.5 billion in existing Cigna indebtedness, which will remain outstanding. The pro forma debt-to-capital ratio of Anthem is expected to be approximately 49.6% at the Closing, declining to the low 40% range two years post-Closing.

#### *Debt Financing or Borrowing*

Anthem entered into a bridge facility commitment letter, dated as of July 23, 2015 (the "Commitment Letter"), by and among Anthem and Merrill Lynch, Pierce, Fenner & Smith Incorporated, Credit Suisse Securities (USA) LLC and UBS Securities LLC as the Lead Arrangers, and Bank of America, N.A. ("BofA"), Credit Suisse AG ("CS"), and UBS AG, Stamford Branch ("UBS", and collectively with BofA and CS, the "Lead Lenders") as the initial lenders to provide Anthem up to \$26.5 billion under a 364-day senior unsecured bridge term loan credit facility to finance the proposed transaction in the event that Anthem does not receive any combination of (i) senior unsecured term loans and (ii) senior unsecured notes in a public offering or private placement in an aggregate principal amount of at least \$26.5 billion prior to the Closing (the "Bridge Loan Facility"). A copy of the Commitment Letter is attached hereto as Exhibit 6. As of the date of this Statement, term loans have been confirmed in an amount of \$4 billion, split evenly between 3-year and 5-year terms, and the Bridge Loan Facility has been correspondingly reduced to \$22.5 billion. Each of the term loans and Bridge Loan Facility have been subscribed to by the Lead Lenders and a syndicate of additional lenders.

In addition, Anthem has increased the borrowing capacity under its existing credit facility from \$2 billion to \$3.5 billion in connection with the financing of the proposed transaction. As is customary in transactions of this nature, the ultimate nature and mix of any public or private debt offering has not been decided at this time and will be determined in the future based on prevailing market conditions and other financial factors.

None of the contemplated indebtedness, term loans or the Bridge Loan Facility will be secured by the stock of any of Anthem's subsidiaries, whether acquired in the Mergers or otherwise.

#### **Relationship Between Borrower and Lender**

Under the term loans, the Lead Lenders and a syndicate of lenders would provide \$4 billion to finance the proposed transaction. Under the Bridge Loan Facility, the Lead Lenders and syndicate of additional lenders would provide up to \$22.5 billion, the full principal amount of the Bridge Loan Facility as reduced by the \$4 billion in term loans, if the Bridge Loan Facility is used. As stated above, BofA, CS and UBS are the Lead Lenders under both the term loans and the Bridge Loan Facility. Many, but not all, of the additional syndicated lenders are part of the syndicate under each of the term loans and Bridge Loan Facility. In addition, a majority of the syndicated lenders under the term loans and the Bridge Loan Facility have a pre-existing lending relationship with Anthem and/or Cigna. BofA is also a customer of Anthem and the lead lender under Anthem's credit facility. Anthem also retained UBS Investment Bank and Credit Suisse to act as financial advisors in connection with the Mergers.

(b) Criteria Used in Determining the Nature and Amount of Such Consideration

Anthem and Cigna are both publicly held companies. Anthem performed a customary due diligence investigation and reviewed, among other things, the financial statements, operations and legal documents of Cigna and its subsidiaries. The basis and terms of the Mergers, including the consideration to be paid, resulted from arm's length negotiations between the respective management, representatives, financial advisors and counsel of Anthem and Cigna. Anthem's financial advisors on the transaction, UBS Investment Bank and Credit Suisse, each provided a written opinion that, as of the date of the Merger Agreement, the Merger Consideration to be paid by Anthem to Cigna's stockholders is fair to the Applicant from a financial perspective. The respective Boards of Directors of Anthem and Cigna, after due diligence review and analysis under customary valuation techniques, have approved the transactions contemplated by the Merger Agreement and have determined that the Merger Agreement and related agreements are advisable and in the best interests of their respective shareholders.

*Additional information concerning the Merger Agreement, the Mergers and related matters can be found in Anthem's Current Report on Form 8-K, dated July 24, 2015, and Anthem's Current Report on Form 8-K, dated July 27, 2015, each as filed with the Securities and Exchange Commission, copies of which are attached hereto as Exhibits 10-A and 10-B.*

(c) Identities of the Lenders

Under each of the term loans and the Bridge Loan Facility, BofA, CS and UBS are the Lead Lenders, joined by a syndicate of additional lenders. As the lending under each of these facilities is in the lenders' ordinary course of business, Anthem respectfully requests the identity of each such additional lender to remain confidential.

**ITEM 5. FUTURE PLANS OF INSURER**

Health care industry dynamics are undergoing tremendous change as providers and other stakeholders consolidate and reorganize, increasing the size of provider networks. Incentives for health care providers to coordinate care through the creation of accountable care organizations has led to increasing numbers of these new types of competitors. Health plans that have broad visibility into this space are better able to adapt and react to these changes, and are better able to ensure that customers will have access to high quality, affordable health care. The health care marketplace is evolving quickly, and health care costs remain a fundamental challenge to affordability. Together the combined company will have enhanced capabilities to collaborate with providers, in order to facilitate the transition toward a more value-based delivery system designed to increase access and quality of care, lower costs and improve health outcomes, all of which will benefit insureds and the insurance buying public in Connecticut.

Anthem's commitment to ensuring consumers have expanded access to high-quality, affordable health coverage is the foundation of the proposed transaction and will remain Anthem's top priority. One of the primary benefits of this transaction is that it will help keep quality health coverage as affordable as possible and ensure consumers have access to the

highest quality, most effective care available. This acquisition will enable Anthem to operate more efficiently to reduce its own operational costs and, at the same time, enhance its ability to manage the cost drivers that negatively impact affordability for its members – all while preserving the quality of care.

The health care marketplace has for some time been slowly moving to value-based care, with its focus on patient outcomes. By combining the capabilities of Anthem and Cigna, the combined company will be able to speed the adoption of the changes necessary to transition to a value-based system. Value-based care is a critical element in the long-term sustainability of making health care affordable for consumers. The companies' combined capabilities and improved network will also increase consumer access to an expanded network of hospitals, physicians, and health care professionals. Moreover, the combination of Anthem and Cigna will amplify the positive impact of their successful health management programs that have improved patient outcomes, generated meaningful cost savings, and empowered members to more actively engage in their own health and wellbeing.

Anthem has no present plans to cause the Companies to declare any extraordinary dividend or make other distributions, to liquidate the Companies, to sell the Companies' assets or to merge or consolidate them with any person or persons or to make any other material change in the Companies' business operations or corporate structure or management, or to cause the Companies to enter into material contracts, agreements, arrangements, understandings or transactions of any kind with any party, other than as may be provided herein or as may arise in the ordinary course of business. Anthem and Cigna have, pursuant to the terms of the Merger Agreement, established a transition planning team comprised of representatives of Anthem and Cigna to facilitate the transition and the successful combination of the operations of Anthem and Cigna. The transition team will be responsible for developing, and monitoring the development of, and deliverables due under, an action plan for the combination of the businesses following the completion of the Mergers.

While employment levels at the Companies can be expected to vary in the ordinary course of business including as a result of health care reform, Anthem has no current plans or proposals to reduce in any material respect the number of employees employed by the Companies. Following the Mergers, the Companies' employees are expected to remain employees of each respective Company.

Under the Merger Agreement, Anthem has agreed that until December 31 of the year following the year in which the Closing occurs, Anthem will provide to the current and former employees of Cigna and its subsidiaries (other than those current and former employees whose terms and conditions of employment are subject to a collective bargaining, works council or similar agreement and shall be provided in accordance with such collective bargaining, works council or similar agreement) compensation and employee benefits, excluding equity-based compensation, that are substantially comparable in the aggregate to those provided to such employees as of the Effective Time, provided that such employees will receive an annual base salary or wage rate and severance benefits that are no less favorable than those provided to such employees as of the Effective Time. Such employees will be eligible to receive equity-

based compensation from Anthem on a basis that is comparable to similarly situated employees of Anthem and its subsidiaries.

Following the Mergers, each of the Companies will continue to maintain its separate corporate existence. Anthem anticipates no changes in any of the Companies' respective Board of Directors or executive officers immediately following the Closing.

The Applicant anticipates that Cigna's management team will remain with Anthem following the Mergers and will help lead Anthem's efforts to effectively manage and further expand Anthem's state-sponsored business programs. On July 23, 2015, Cigna's President and Chief Executive Officer, Mr. David M. Cordani, and Anthem entered into an offer letter pursuant to which Mr. Cordani will become President and Chief Operating Officer of Anthem upon the Closing. Anthem has not entered into employment agreements with any other member of Cigna's leadership team.

The Applicant anticipates certain operations of Cigna, such as human resources, payroll, finance and accounting, may be integrated with Anthem's existing operations following consummation of the Mergers. Leaders from Cigna and Anthem will finalize such integration plans together. Also, it is anticipated that the Companies will become a member of Anthem's consolidated tax group upon consummation of the Mergers, and the Applicant is evaluating the need for any changes to intercompany tax sharing agreements that may be appropriate. The forms of any such new affiliate agreements will be filed under separate cover with the Department for review pursuant to Connecticut General Statutes § 38a-136.

#### **ITEM 6. VOTING SECURITIES TO BE ACQUIRED**

Pursuant to the Merger Agreement, Anthem proposes to acquire 100% of the issued and outstanding voting securities of Cigna as of the Effective Time and, thereby, beneficially acquire 100% of the issued and outstanding voting securities of each of the Companies. Anthem and Cigna, with the assistance of their respective representatives, financial advisors and counsel and under the direction of their respective boards of directors, determined the nature and amount of the Merger Consideration, and the other terms and conditions of the proposed transaction through arm's length negotiation. A copy of the Merger Agreement is attached hereto as Exhibit 1. In addition, please see Anthem's response to Item 4(b), above.

#### **ITEM 7. OWNERSHIP OF VOTING SECURITIES**

Under the terms of the Merger Agreement, Cigna Common Stock held by any subsidiary of Anthem, including Merger Sub, will be cancelled and will cease to exist and no cash, Anthem Common Stock or other consideration will be delivered in exchange therefor.

**ITEM 8. CONTRACTS, ARRANGEMENTS, OR UNDERSTANDINGS WITH RESPECT TO VOTING SECURITIES OF THE INSURER**

Except as provided in the Merger Agreement, there are no contracts, arrangements or understandings with respect to any voting security of Cigna or any of the Companies in which Anthem, its affiliates or any person listed in Item 3 is involved, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits, or the giving or withholding of proxies.

**ITEM 9. RECENT PURCHASES OF VOTING SECURITIES**

There have been no purchases of any voting securities of Cigna or the Companies by Anthem, its affiliates or any person listed in Item 3 during the 12 calendar months preceding the filing of this Statement.

**ITEM 10. RECENT RECOMMENDATIONS TO PURCHASE**

There have been no recommendations to purchase any voting security of Cigna or the Companies made during the 12 calendar months preceding the filing of this Statement by Anthem, its affiliates or any person listed in Item 3, or by any other person based on interviews or at the suggestion of Anthem, its affiliates or any person listed in Item 3.
