The Proposed Acquisition will be effected pursuant to the terms of the Merger Agreement (“Agreement”) by and among the Applicants and the Domestic Insurers dated January 18, 2021.

The Insurance Commissioner (“Commissioner”), is required by General Statutes § 38a-132 and section 38a-136-6 of the Regulations of Connecticut State Agencies to hold a public hearing on the Proposed Acquisition of the Domestic Insurers within thirty (30) days after the Commissioner determines that the Application is complete in all respects. The biographical affidavits of the directors and officers of the Domestic Insurers post-acquisition included in the record of this proceeding and the files of the Department describe each individual's education background, professional credentials, and employment history, and attests to the competence, experience, and integrity of those individuals who would control the operation of the Domestic Insurers after the Proposed Acquisition. 32. There are no agreements, contracts or understandings made with any broker-dealer as to solicitation of voting securities of the Domestic

Insurers or any of their controlling persons for tender with regard to the Proposed Acquisition.

III. DISCUSSION

The Insurance Commissioner is required to approve the Proposed Acquisition unless, after a public hearing, he finds that the proposed acquisition of control of the Domestic Insurers would result in any of the conditions set forth in General Statutes §§ 38a-132(a)(1) through (6). These conditions will be addressed in turn.

(1) After the change of control, the Domestic Insurers would not be able to satisfy the requirements for the issuance of a license to write the line, or lines of business for which they are presently licensed.

General Statutes § 38a-132(a)(1) requires the Domestic Insurers to satisfy the requirements for the issuance of licenses to write the line or lines of business for which they are presently licensed following the proposed acquisition of control. The Domestic Insurers are currently licensed pursuant to General Statutes § 38a-41 and satisfies the requirements for the issuance of a license to write the lines of business for which they are licensed. The Domestic Insurers are currently licensed as life, health and annuity insurance companies. The Applicants, through testimony and submissions, indicate that no changes will be made to the Domestic Insurers such that they would not be able to satisfy the requirements for the issuance of their licenses.

In addition to the financial requirement criteria set forth in General Statutes § 38a-72, the Department considers the location of companies' books, records, and assets, and the management of the companies when evaluating insurers'

ability to operate in this state pursuant to § 38a-41. The Applicants, in testimony and submissions, have confirmed that such books and records will remain in their present location in Connecticut.

As noted in the Findings of Fact, the Applicants have no present plans or proposals to: (a) cause the Domestic Insurers to declare an extraordinary dividend; (b) liquidate the Domestic Insurers; (c) sell the Domestic Insurers' assets (other than in the ordinary course of business) or merge the Domestic Insurers with any person(s); or (d) make any other material change in the Domestic Insurers' business operations, corporate structure or management.

At the hearing Mr. Muscolino testified that “[t]he Applicants have no plans to make any changes, management, business or operations of the Domestic Insurers, and therefore believe the Domestic Insurers will be able to continue to perform their obligations under the licensure.”¹

Moreover, based on the information contained in the biographical affidavits for the directors and officers of the Applicants, the competence, experience and integrity of the individuals who will be responsible for the governance and operation of the Domestic Insurers following the consummation of the proposed transaction, are such that the safe and expert operation of the Domestic Insurers will continue following the Proposed Acquisition.

Accordingly, the undersigned hereby finds that the evidence contained in the records supports a finding that the Domestic Insurers will be able to satisfy the requirements for the issuance of the necessary license of insurers for which it

¹ Hrg. Transcr. 20:16-21 (June 15, 2021).

is presently licensed following the completion of the Proposed Acquisition of control.

(2) The effect of the merger or other acquisition of control would be to substantially lessen competition of insurance in this state or tend to create a monopoly in Connecticut.

General Statutes § 38a-132(a)(2) requires that the proposed transaction neither substantially lessen competition nor create a monopoly in Connecticut. In evaluating the effect of the proposed acquisition on competition in Connecticut, the Commissioner is required by General Statutes § 38a-132(a)(2)(A) to consider the information required under General Statutes § 38a-131(c)(1) and the considerations specified in General Statutes § 38a-131(d)(1). In this regard, the Commissioner must consider the percentages of market shares of the Applicants and affiliates and the Domestic Insurers and the market in which the insurers compete, as set forth in § 38a-131(d)(1). If certain quantitative criteria are met, then there is *prima facie* evidence that the competitive standard has been violated. (See § 38a-131(d)(1)).

General Statutes § 38a-131(d)(2) defines “market” as the relevant product and geographical markets. In determining the relevant product and geographical markets, § 38a-131(d)(2) specifies that in the absence of sufficient information to the contrary, the relevant product market shall be the direct written insurance premium for a line of business used in the annual statement insurers doing business in this state are required to file with the Commissioner, and the relevant geographical market shall be Connecticut.

The Applicants do not own or control any insurance companies in Connecticut. Accordingly, the undersigned hereby finds, based on the evidence contained in the record of this proceeding, the effect of the acquisition of control of the Domestic Insurers by the Applicants will not substantially lessen competition of insurance in this state or tend to create a monopoly in Connecticut.

(3) The financial condition of the acquiring party is such as might jeopardize the financial stability of the Domestic Insurers or prejudice the interests of their policyholders.

General Statutes § 38a-131(a)(3) requires that the financial condition of any acquiring party to be in sufficiently sound financial condition so as not to jeopardize the financial stability of the Domestic Insurers or prejudice the interests of its policyholders. In pre-filed testimony, Mr. Muscolino stated “[t]he financial condition of the Applicants is strong and will not jeopardize the financial stability of the Domestic Insurers or prejudice the interests of their policyholders. As of February 2021, the TAO Funds had approximately \$24.7 billion in committed capital. Further, the evergreen structure of the TAO Funds means they have no fixed term, and no liquidity requirement for individual investors or investments – investors cannot redeem their investments in the TAO Funds or otherwise cause the sale of underlying investments of the TAO Funds to generate liquidity.²

Based on the information entered into the record of this proceeding, including the Application and pre-filed testimony of Mr. Muscolino, the

² A. Michael Muscolino Pre-Filed Testimony, p. 6 (exh.20).

undersigned hereby finds that there is no evidence indicating that the financial condition of the Applicants might jeopardize the financial condition of the Domestic Insurers, or prejudice the interests of their policyholders.

(4) The plans or proposals of the acquiring party to liquidate the Domestic Insurers, sell their assets or consolidate or merge them with any person, or make any other material change in the business or corporate structure or management, are unfair and unreasonable to policyholders of the Domestic Insurers and not in the public interest.

General Statutes § 38a-132(a)(4) requires that an acquiring party not be contemplating any material changes in the business of the domestic insurer that would be unfair and unreasonable to policyholders, or otherwise would not be in the public interest. Mr. Muscolino addressed this matter in his pre-filed testimony when he stated “[t]he Applicants have no plans to sell the Domestic Insurers’ assets or consolidate or merge them with any person. The Applicants intend to grow the business of the Domestic Insurers through reinsurance and acquisitions, but, except as described in Exhibits F and F-1 to the Form A Application, have no plans to make material changes to the way the Domestic Insurers are managed. The Applicants also plan for the Domestic Insurers’ headquarters to remain in the State of Connecticut. These plans would not be unfair or unreasonable to policyholders of the Domestic Insurers or against the public interest.³ Mr. Muscolino affirmed this commitment at the hearing when he

³ A. Michael Muscolino Pre-Filed Testimony, p. 6 (exh.20).

testified that “There are no plans to make material changes to the businesses of the Domestic Insurers.”⁴

Accordingly, based on the information entered into the record of this proceeding, the undersigned hereby finds that there are no material plans or proposals for the Domestic Insurers that are unfair and unreasonable to policyholders of the Domestic Insurers or not in the best interest of the public.

(5) The competence, experience and integrity of those persons who would control the operation of the Domestic Insurers are such that it would not be in the interest of the policyholders of the Domestic Insurers and of the public to permit the merger or other acquisition of control.

General Statutes § 38a-132(a)(5) requires that the competence, experience, and integrity of those persons who would control the operation of the Domestic Insurers post-acquisition be of sufficient quality so as not to be prejudicial or contrary to the interests of the policyholders and of the public. The record includes the biographical affidavits and third party reports of those individuals who serve as officers of the Applicants and who will serve as members of the board and as officers of the Domestic Insurers post-acquisition. The biographical affidavits disclose each individual’s education background, professional credentials, and their employment history. In addition, the Applicants have represented, and the biographical affidavits confirm, that during the last ten (10) years, none of the officers of the Applicants or members of the board and officers of the Domestic Insurers have been convicted in a criminal proceeding

⁴ Hrg. Transcr. 22:9-10 (June 15, 2021).

(excluding minor traffic violations) or have been convicted or otherwise penalized for violating any federal or state law regulating the business of insurance, securities or banking. During the last ten (10) years, none of the officers of the Applicants or members of the board and officers of the Domestic Insurers have been the subject of any proceeding under the Federal Bankruptcy Code, or have been affiliated with a business or organization which has been subject to such proceeding.

Furthermore, no officer of the Applicants or member of the board and officers of the Domestic Insurers have had a revocation, suspension or disciplinary sanction imposed against him or her by a governmental agency. None of the filed biographical affidavits contain any information that reflect negatively on these individuals.

In his pre-filed testimony Mr. Muscolino stated “[t]he Applicants have no current plans or proposals to make any changes to the directors and executive officers of the Domestic Insurers other than replacement of directors associated with the sellers and any changes to independent directors. In my view, all of these directors and executive officers of the Domestic Insurers are highly competent individuals with extensive experience and high integrity.”⁵ Mr. Muscolino also testified to this at the hearing by stating “[h]aving reviewed the backgrounds of the management team and the executive officers, we believe they are highly competent in running the business

⁵ A. Michael Muscolino Pre-Filed Testimony, p. 7 (exh.20).

and have done so to date, and so the Applicants feel strongly that the competency of the existing management team around the business is strong.”⁶

With respect to the Applicants, Mr. Muscolino testified that “myself, Alan Waxman, and the Applicants have a long experience in investing risk management and believe will be the additive to the management of the business of the Domestic Insurers.”⁷ These statements are also reiterated within the Application⁸.

Accordingly, based on the information entered into this record of proceeding, the undersigned hereby finds that the competence, experience, and integrity of those persons who would control the operations of the Domestic Insurers after completion of the Proposed Acquisition are sufficient to indicate that the interest of policyholders of the Domestic Insurers and of the public will not be jeopardized by the Applicants’ acquisition of control of the Domestic Insurers.

(6) The acquisition of control of the Domestic Insurers is likely to be hazardous or prejudicial to those buying insurance.

General Statutes § 38a-132(a)(6) requires that the proposed acquisition not be hazardous or prejudicial to the insurance buying public.

In pre-filed testimony Mr. Muscolino stated “[t]he Applicants have no present plans or proposals to make any material changes to the Domestic Insurers’ core business operations, corporate structure or management. The Proposed Merger, therefore, will not have the effect of altering the current

⁶ Hrg. Transcr. 22:25-23:6 (June 15, 2021).

operations of the Domestic Insurers with respect to those buying insurance. Further, as noted previously, the individuals who manage the Domestic Insurers have extensive experience. I am aware of no evidence that the Proposed Merger is likely to be hazardous or prejudicial to those buying insurance.”⁹

Based on the financial strength of the Applicants, the commitments contained within the Application and Merger Agreement, the competence, experience and integrity of those persons who would control the operation of the Domestic Insurers post-acquisition, the retention of the officers of Talcott Life and officers and directors of Talcott Annuity, AMLIC, and Talcott International, the testimony of Mr. Muscolino, the Proposed Acquisition is not likely to be hazardous or prejudicial to those buying insurance.

Accordingly, assuming compliance with the Applicants’ commitments as set forth in the record and with all of Connecticut’s insurance statutes and regulations, the undersigned hereby finds that it is reasonable to conclude that the Proposed Acquisition is not likely to be hazardous or prejudicial to those buying insurance.

IV. RECOMMENDATION

Based on the foregoing Findings of Fact and Discussion, the written and oral testimony and exhibits submitted to the Department, and the record of the June 15, 2021 public hearing, the undersigned hereby concludes that no condition justifying disapproval listed in General Statutes § 38a-132(a) is present with respect to completion of the Proposed Acquisition. Accordingly the
